

EMPLOYMENT OPPORTUNITY

LABORER

Job Posting: Operator/Mechanic

Department: Public Works

Post Date: 1/13/2020

Location: City of Waterliet

Details: This is a semi-skilled to skilled position. Work is performed under the direction of the Director of Public Works, and involves operation of equipment as well as the performance of varied manual tasks. The primary areas of responsibility for a Public Works Employee are: street repair and maintenance, snow plowing, water main and sewer main installation/repair and replacement, water meter replacement and reading, parks and facilities maintenance, heavy equipment operation, and equipment repair maintenance. Public Works Employees are required to adequately perform such tasks as are routinely carried out in the daily operations found in these and other related work areas.

An individual hired as an operator will possess the basic skills necessary to perform the duties as listed above.

This position includes the possibility of night, weekend, holiday, and overtime responsibilities.

Qualifications: Applicants must possess a high school diploma or equivalent and possess a valid Michigan driver's license. Applicants must be able to lift a minimum of 50 pounds, work in confined spaces and outdoors under varying climatic conditions, possess strong written and verbal communication skills and walk through/over rough terrain, climb ladders and stairs, maintain a positive attitude and follow directions as instructed.

Wage/Benefits: \$27,040 - \$37,440 Depending on Qualifications (additional compensation possible as outlined in the collective bargaining agreement), Pension, Health Benefits, Cell-Phone Stipend, and Clothing Allowance.

How to Apply: Applications can be picked up and dropped off at City Hall or found online at www.waterliet.org. Completed applications may be submitted via e-mail to citymanager@waterliet.org.

For more Information please contact Waterliet City Hall:

158 West Pleasant Street

Waterliet, Michigan 49098
